The Lautner | The Park | The Ranch House

THE ULTIMATE MID-CENTURY MODERN DESTINATION- This private compound is comprised of 3 unique properties. The 1st is the award winning property known as The Lautner, famed architect John Lautner's iconic desert hideaway built in 1947, respectfully named after the visionary that created it. Lautner was commissioned by legendary Oscar Winning Hollywood movie producer Lucien Hubbard to create a desert getaway for starlets such as Mary Pickford, Hollywood's biggest star at the time. The 2nd is the adjacent open-air 10,000 sq. ft. event space we call The Park which offers a modern "park like" atmosphere which can easily accommodate 900+ persons. The 3rd is the newly acquired 1957 California Ranch
